EXPLANATION OF TRANSCRIPTS

Numbering System

The following course numbering system became effective in the Fall of 1972:

- 100 Series – Primarily freshman level
- 200 Series – Primarily sophomore level
- 300 Series – Primarily junior level
- 400 Series – Primarily senior level
- 500, 600, 700 Series – Professional level (Law, Dentistry and Architecture)
- 800 and 900 Series – Graduate level

Course Number Suffix

Selected alphabetical characters have been assigned to course numbers to denote a unique feature regarding the course's/sections's method of instruction or content:

- G = Graduate credit when associated with 500, 600 and 700 level courses
- H = Honors section – Advanced Placement or Honors for selected students
- S = Mediated instruction course – Extended Education and Outreach

Course Repeats and Academic Bankruptcy

The University's Course Repeat Policy states "only the most recent letter grade received in a given course will be used in computing a student's cumulative grade point average if the student completed the course more than once and previously received a grade or grades below "C" in the course." Courses whose grade factors have been removed through this process are marked with the notation "Repeated" under the course title.

The University's Academic Bankruptcy Policy allows an undergraduate student to remove one or two semesters of work from degree consideration after successfully completing 15 semester hours at a 3.0 GPA or 30 semester hours at a 2.5 GPA at the University subsequent to the term(s) to be bankrupted. The bankrupt courses and grades are removed from the computation of the cumulative GPA but remain evident on the student's transcript. Courses whose grade factors have been removed through this process are marked with the notation "Academic Bankruptcy" under the course title.

Requirements for Degrees

See appropriate bulletins.

Grading System

From 1971 through the 2001 Summer Term the grading system consisted of letter grades with plus notation mid-points. Beginning with the First Semester of the 2001-2002 Academic Year the grading system was changed to letter grades with both plus and minus notations. (Exception: Law College retained the plus only system.)
